### **Atlas Shrugged A Book Review**

Atlas Shrugged is a flawed epic, strident with a swaggering ambition, yet almost fable-like in its overly simplistic social and economic criticisms. This is more of a philosophical, social commentary than a literary monument.

What Is Atlas Shrugged? Atlas Shrugged is Ayn Rand's magnum opus. It is your classic dystopian novel (my favorite genre, if you haven't caught on by all my other reviews). It highlights a well-functioning, self-sufficient country (USA) that later turns into a collectivist hellhole. IE: dystopia.

### **An Insane Read: Atlas Shrugged Book Review by Ayn Rand**

Both are much more concise and more to the point of Ayn Rand's themes. Overall, Atlas Shrugged is OK from a literary standpoint, and I give it 6 out of 10 stars. From a philosophical view, I give it 9 stars, for a combined rating of 8 stars. The book might not be perfect, but its themes come close.

## **Atlas Shrugged Review - A Classic of Capitalism**

Atlas Shrugged holds a terrifying immediacy, if one can envision today's prosperity holding the seeds of tomorrow's decadence. Except in the isolated cases of unrealized potentials of invention, she has tapped few of the now-evident clues to our immediate mechanical future. One finds it difficult to gauge the time span here.
