I am very well pleased with Alistair Moffat's "Before Scotland." This is a well researched history of Scotland before history. The book is easily read and the timelines are easy to follow. If you want to know how Scotland came to be what she is, this is an excellent resource.

### Before Scotland: The Story of Scotland Before History ...

It tells the story of the land we know as Scotland before it became Scotland. The narrative begins 10,000 years ago and continues up until AD900 when the last of the native British kingdoms in the north were effaced. The fact that I can even write that last sentence shows how much I learnt from this book.
