Behind Her Eyes: A Suspenseful Psychological Thriller ...

"Walking the tightrope between psychological and supernatural thriller with effortless ease and delicacy, Behind Her Eyes has everything a thriller needs: fully realized characters, peerless writing, a tank of a plot that sustains the suspense right to the end, and a whammy of a finale that hits you like a cartoon piano falling onto a rabbit's head. It takes a lot to catch me out, but this one did.

Behind Her Eyes: A Suspenseful Psychological Thriller ...

It is not a suspense story, more of a horror/supernatural tale. It was well written and interesting up to that point but then it just became silly and unbelievable. Obviously the ending was even more of a twist but not a twist that could in any way be based on reality. I was extremely disappointed.

2.5 stars Behind Her Eyes is very readable; I couldn't put it down and I was constantly trying to figure out what was going to happen. However, once all was finally revealed, I came to the conclusion that I did not like this book. It's nearly impossible to write a summary of the events of this book without giving too much away, so I am just going to keep it as this: A man, his wife, and ...
