Bathe in the sea water and enjoy its positive effects. Next to the ocean, the sea breeze manages to cause harmful particles to disperse until a clean air is created and, as a consequence, healthier. 1. It helps us to relax and sleep better: You know, it is true that when we go to the beach we arrive home tired, even though we have not done anything. It is not only because we find ourselves with fewer people and relax in the hammock, but also because a natural environment facing the sea helps ...
