The authors comment that domestic peace movement messages are nested in cultural assumptions and transnational trends. Domestic politics and international political developments also affect the nature and power of peace movement rhetoric. Contesting Patriotism provides an interesting way to analyze peace movement activities. Missing from this book are interviews with peace activists from the PMOs presented in the study.

### Contesting Patriotism: Culture, Power, and Strategy in the ...

Contesting Patriotism. Patrick G. Coy, Gregory M. Maney, and Lynne M. Woehrl\*. In the days following the tragic events of September 11, U.S. peace movement organizations (PMOs) found themselves operating in a dif cult political climate. For the government, the mainstream media and the general public, citizen, patriot and retaliation merged into a single American identity so that many felt that the nation and its way of life were at risk and that war was an appropriate response to the ...

### Contesting Patriotism - Kent State University

Patriotism in the American context has always involved both a devotion to an intricate latticework of ideals, sentiments, and overlapping loyalties, and also a commitment to our unique traditions, culture, history, people, and land. These two types o...

### How to Think about Patriotism | National Affairs

Contesting Patriotism is a bombproof, peer-reviewed academic study on the ways the peace movement has responded to war and threats of war in its messaging. It gives examples of the strongest antiwar/pro-peace arguments from different approaches, explains reasoning for framing arguments, and categorizes arguments according to their characteristics.

All three authors of Contesting Patriotism are involved in various peace, environmental, and social justice campaigns. Those qualities that conventional wisdom tells us work against good scholarship - lack of 'objectivity,' emotional affinity, shared worldviews - are instead essential to advancing our

### Woehrl, Lynn M., Coy, Patrick G., and Maney, Gregory M ...

During war, space for debate shrinks. Narrow ideas of patriotism and democracy marginalize and silence opposition to militarism abroad and repression at home. Although powerful, these ideas encounter widespread resistance. Analyzing the official statements of 15 organizations from 1990-2005, the authors show that the U.S. peace movement strongly contested taken-for-granted assumptions ...
