The War is a series of 50 drypoint and aquatint etchings by German artist Otto Dix, catalogued by Florian Karsch as K.70 to K.119. The prints were published in Berlin in 1924 by Karl Nierendorf, in an edition which included separate high quality folio prints, and a lower-quality version with 24 prints bound together. It is often compared to Francisco Goya's series of 82 engravings The Disasters of War. The British Museum, which holds a complete set of the folio prints, has described the series a
