Documentation Styles

A documentation style is a standard approach to the citation of sources that the author of a paper has consulted, abstracted, or quoted from. It prescribes methods for citing references within the text, providing a list of works cited at the end of the paper, and even formatting headings and margins. Different academic disciplines use different documentation styles; your instructor may require you to use a particular style, or may allow you use one of your choosing.

Introduction Most academic writing projects require you to gather, evaluate, and use the work of others. When you draw upon the work of others, you must give proper credit. Failure to do so constitutes plagiarism which UW-Madison considers to be a serious breach of academic integrity. If you learn a few basic rules, you can...
