English Chinese Vocabulary - Themed lists

A themed Chinese vocab word list is basically a list of words about a certain theme, along with their English translation. Themed Chinese vocab lists can be extremely powerful because: you immediately understand the word through the context. your understanding of words is strengthened through their connection to other words in the list.

The Ultimate List of Mandarin Chinese Vocabulary Word Lists

There are typically two ways to arrange vocabulary related to a certain theme: list by semantic similarity and list by narrative context. An example of the first case would be a list of 25 different kinds of fruit in Chinese; an example of the latter would be vocabulary derived from a description of someone going shopping (which might include names of fruits too).
