Free Positive Discipline

Positive Discipline in the Classroom (developed by Jane Nelsen and Lynn Lott) is a research-based classroom management program that empowers teachers with skills to build their students' sense of community, prepare them for successful living, and increase academic achievement.

Free Downloads | Positive Discipline

Based on the best-selling Positive Discipline parenting books by child psychologist Dr. Jane Nelsen, Positive Discipline teaches important social and life skills in a manner that is deeply respectful and encouraging for both children and parents. Recent research tells us that children are hardwired from birth to connect with others, and that children who feel a sense of connection to their community, family, and school are less likely to misbehave.
