### General and Industrial Management: Fayol, Henri, Storrs ...

Henri Fayol's General and Industrial Management is one of the foundation works on modern management. It is amazing how much of Fayol's things you can see in today's organization, especially considering the book is nearly 100 years old. It is astounding and also very sad that so little has changed. This translation of Fayol's original work by Irwin Gray is a re-ordering and slight editing of the original.
