It has devolved upon me to prepare to review of Homoeopathic therapeutics in our special department, that of ophthalmology. So much has been written lately upon this topic, that it is with diffidence I venture to discuss a subject so ably treated by other, and I crave your indulgence if much that I have to say seems trite.

**OPHTHALMIC
THERAPEUTICS
[Ophthalmic
Therapeutics]**

In a broad sense
therapeutics means
serving and caring for
the patient in a
comprehensive
manner, preventing
disease as well as
managing specific
problems. Exercise,
diet, and mental
factors are therefore

Read Online Homoeopathic Therapeutics In Ophthalmology

integral to the prevention, as well as the management, of disease processes. In homoeopathic pharmacology, therapeutics accordingly refers to the use of drugs and the method of their administration in the treatment of disease.

therapeutics. Dewey's
therapeutics is a
popular book referred
by both graduates and
under-graduates in
their everyday life. A
wider coverage of
important conditions
with it's compactness
and the incorporation
of valuable hints on
disease staging, drug
relations, potency
makes it really
practical to use.
