Mastercam 2020 uses one of three license types: on-run: HASP, NetHASP, or software. HASP's and NetHASP's are hardware licenses, meaning they are licenses stored in a physical USB plug-in device. This software license is digital and is managed by CodeMeter. These licenses are either Retail or Evaluation. Before continuing, be aware of your current license type. This guide also refers to Mastercam's various folder locations. Mastercam creates folders that are non-modifiable and user-modifiable. The default folder locations and types are listed below.
