### **Morris Fiorina S Culture War**

This thin little book, authored by the well-respected Morris Fiorina (with the assistance of Samuel Abrams and Jeremy Pope), questions this widely held view of a culture war raging in the United States. Fiorina, for those readers who are familiar with his academic research, is a skilled researcher, well schooled in statistics.

## File Type PDF Morris Fiorina S Culture War Explores This Question Is

“Culture War?” by Morris P. Fiorina is a political statement that goes against the typical notion of most experts and Americans. The main argument throughout the book is that America is not divided almost in half by blue and red states, but the average American is in the middle of most critical issues.

### **Culture War**

Based on research, Morris Fiorina argues that the culture war is more of a myth and is only a reflection of the fact that the media publicize the polarization that exists among political leaders and not that most Americans occupy the middle position of many issues.

The Myth of a Polarized America. By Morris P. Fiorina with Samuel J. Abrams and Jeremy C. Pope. Particularly after the 2000 and 2004 elections, there was significant talk in the media about a 'culture war' taking place in America and about deep divisions occurring among the population. Fiorina looks at this issue from a number of angles, using a wide variety of data to determine whether the United States is deeply divided and whether it is becoming more partisan.
