Hunter Davies was the official biographer of the Beatles, who spent about 18 months with the Beatles from 1967 - 1968. He admits to have spent far more time with the Fab Four's families and business partners, which really comes across in the book, as there is as much focus on Brian Epstein, for instance, as there is on Ringo.

The Beatles by Hunter Davies - Goodreads

The only authorized Beatles biography by Hunter Davies. A good factual read although the language is a little dated, but I Guess that's how they Spode (and wrote) then. Well updated with what's happened since the book was written.

I love Hunter Davies (I read his memoirs; what an amazing, interesting man) and trust him. I've not yet read the whole book—it's not necessarily a book one reads cover to cover. But I'm sooo glad I bought it. I love the way it's laid out, and I love that while it's not comprehensive on every Beatles aspect, it's encyclopedic.
