### The Everyday Life Of The

Everyday life, daily life or routine life comprises the ways in which people typically act, think, and feel on a daily basis. Everyday life may be described as mundane, routine, natural, habitual, or normal. Human diurnality means most people sleep at least part of the night and are active in daytime. Most eat two or three meals in a day. Working time mostly involves a daily schedule, beginning in the morning. This produces the daily rush hours experienced by many millions, and the drive time fo

"Moore turns from internal spirituality and developing relationships to the natural wonder of everyday life—in trees, food, home, garden, art, furniture, stories, sex, business, politics, and ritual. To live without feeling magic or enchantment in external things, he believes, is to tumble linto a long-term 'loss of soul' in modern life.""--
