The House on the Moors by Paul Shipton - Goodreads

-Jaime Jo Wright, author of Echoes among the Stones and Christy Award-Winning, The House on Foster Hill
"Michelle Griep is my go-to author for heart-throbbing hunks; independent, feisty heroines; and a story that not only warms, but keeps my adrenaline raging. The House at the End of the Moor is no exception. Danger, suspense, mystery, and romance all wrapped up in a masterfully-written historical novel that not only entertains but teaches a spiritual lesson you'll not soon forget."

Margaret Oliphant - Wikipedia

With humor aplenty and a slow-build romance, *The House at the End of the Moor* was as entertaining as it was thought-provoking. Margaret especially made me cheer because of her independence and bravery, and Oliver's inherent compassion for others made me wish for more heroes to champion those who cannot speak for themselves.

As do many of Mrs. Oliphant's novels, the story starts out with the description of a dreary house on a dreary moor and three characters, two of which are as dreary as the house and the moor. A struggle is in progress between the owner of the house, Mr. Scarsdale, and his son, Horace, a struggle that did not just then start, but as we find out later, has been going on for the entire life of the young man.

The house completes the settled area stretching towards the moor and bridges countryside and village. This is symbolised by the gesture of the open entree between the major and the minor components and the combination of untreated silver fir and velvety concrete.

The House on the Moor - Active House

He bought an old empty house on a lonely moor to hide himself away from society. Little did he know why it was old and empty. He soon found out that it was full of the ghosts of orphan girls raped and murdered there by rich, famous and influential people for their pleasure in the 1920s.

THE HOUSE ON THE MOOR By Alan Jacobs

For the 17th- and 18th-century house located a mile away, see Moor Park (house). The More (also known as the Manor of the More) was a 16th-century palace in the parish of Rickmansworth, Hertfordshire, England, where Catherine of Aragon lived after the annulment of her marriage to Henry VIII. It had been owned by Cardinal Wolsey.
