“The Orange Revolution: how one great team can transform an entire organization” is the equivalent of a self-help book for a dysfunctional work team environment in need of repair. Since so much success in non-profits depends on a team rather than any single individual effort, I thought it would make for a good read as my site transitions into new leadership and considers restructuring departments.

Inside Russia, the Orange Revolution occasioned a sharp change in mood as Moscow sought to make sure the sudden outbreak of democracy in Ukraine did not prove contagious. This expressed itself in a curiously defiant form of state-sanctioned nationalism which embraced a sense of continuity with the Soviet past while downplaying the crimes of the Communist era.

In the runoff the following month, Yanukovich was declared the winner, though Yushchenko's supporters charged fraud and staged mass protests that came to be known as the Orange Revolution. Protestors clad in orange, Yushchenko's campaign colour, took to the streets, and the country endured nearly two weeks of demonstrations. Yanukovich's supporters in the east threatened to secede from Ukraine if the results were annulled.
