The Shape of a Pocket John Berger The Shape of a Pocket John Berger The pocket in question is a small pocket of resistance. A pocket is formed when two or more people come together in agreement. The resistance is against the inhumanity of the New World Economic Order.

The Shape of a Pocket - Semantic Scholar

John Berger describes his latest book of essays, The Shape of a Pocket, Pantheon Books; December, 2001, ominously, "I've never written a book with a greater sense of urgency." The pocket in question is one of resistance, and the urgency is globalization, its destructive lies, according to the author, and what it is doing to the world.
