Sit with the silence, with the uncomfortable feelings of being silent. Sit with the many who are silent, too. Waiting. Perhaps then, in the silence of our hearts, we will rise to a place where we can speak. And if so moved, then we will do what Meg encourages us to do, "turning to one another, in simple conversations to restore hope to the future."

Turning to One Another : Simple Conversations to Restore ...

Now is the time. When *Turning to One Another* was first published in 2002, I made a rash statement: "I believe we can change the world if we start listening to one another again." I still believe this. I still believe that if we turn to one another, if we begin talking with each other – especially with those we call stranger or enemy – then this world can reverse its darkening direction ...
